Lab (LA1) 1

Content	Introduction to SolidWorks
Date	@February 11, 2025 12:00 PM → 1:20 PM
Instructor	Y Yucheng LUO
Last edited time	@February 10, 2025 5:11 PM
Location	Rm4223 (Lift 23)
Type	Lab
isPublished?	☑

Please don't expect to fully master SolidWorks just by attending labs. If you have time, spend some effort finding and working through the tutorials on the website. Learning independently is the best way to master this type of software.

Virtual Barn Installation Guide | Information Technology Services Office

Hello! I am your virtual assistant. Feel free to ask me any UST-related enquiries! Please tell me which role you are first?
